**YMCA OF EASTERN UNION COUNTY'S FIVE POINTS BRANCH RECEIVES \$10,000
GIFT FROM THE INVESTORS SAVINGS BANK CHARITABLE FOUNDATION**

Funding will be used to support equipment purchases for teen program & to help defray the cost of providing free memberships to Township of Union 7th grade students

(Union, NJ) – The YMCA of Eastern Union County is pleased to announce that its Five Points Branch has been awarded a gift of \$10,000 from the Investors Savings Bank Charitable Foundation. This grant will be used to purchase equipment for our teen program and to help fund the YMCA's recently announced seventh grade initiative in which free full privilege memberships will be offered to all seventh grade students in the Township of Union.

As childhood obesity reaches pandemic proportions in our nation, the YMCA has reaffirmed its commitment to helping kids and teenagers develop healthier lifestyles through physical fitness, wellness and proper nutrition. This free membership will allow seventh graders the opportunity to explore the many programs available at the YMCA while developing a positive self image and an appreciation for healthy living. New equipment purchases supported through this grant will also allow the YMCA to enhance our current teen program and attract new youth and teen participants.

By supporting the YMCA's efforts, Investors Savings Bank is demonstrating its commitment to the Bank's Charitable Foundation's mission "to enrich people's lives through grants that support Health, Human Services & Youth." This gift also displays the YMCA and Investors' partnership in efforts to improve the quality of life of Township of Union residents.
